Chairman's Vision

**“Towards a Safety-Conscious India –
Where Every Journey Values Every Life”**

Dr. R. Padmanabhan

Chairman, All India Rail Safety Council

*Safety
Today
A Brighter
Tomorrow*

“ My vision for the All India Rail Safety Council (AIRSC) is to contribute toward building a strong and sustainable culture of railway and metro safety in which education, professional competence, technology, prevention, preparedness and responsible public participation work together for the protection of human life. ”

Developed India
with Safe, Modern
and Inclusive Railways

Atmanirbhar Railways
