ALL INDIA RAIL SAFETY COUNCIL

VOLUNTEER

We offer volunteers the opportunity to work with our advisory committees and encourage them to find their niche based on their interests and area of expertise. Our volunteers can work with any of our organizing committees to do community work that they value and are able to enhance their knowledge on a focused safety and injury prevention area.

If you are a community-oriented individual that is interested in volunteering with the Safe Communities Partnership, forward your resume and a brief cover letter describing your background and area of interest with safety and injury prevention to our Coordinator, at volunteers@railsafety.co.in or +91 98408 89099 . If you have a particular advisory committee that you desire to work with, please state this in your cover letter.

For more information on volunteering with Safe Communities Partnership, click to view our [Volunteer Orientation Package](#).

For more information on the organizing committees, click on the Committees tab on the side menu.

Current Opportunities

Safe Communities Partnership is currently in the process of developing new sub-committees. If you are interested in working with or leading such sub-committees on a volunteer basis, please contact / visit our website or volunteers@railsafety.co.in

**The volunteers are essential to preserving our railroad heritage.
There are no paid employees.**

Volunteer Today!

No previous railroad experience is necessary!
